

RIVARD

Manufacturer & Body builder

CALAO

Drain cleaning

Urban fitted

Height 1 850mm

Work in urban areas and in underground car parks

Power

41hp jetting pump
from 30l/min at 450 bar
to 46l/min at 300 bar

Mounted on a Toyota HILUX 4x2, the CALAO is a reliable and handy cleaner.

Ergonomy

Possibility of working with continuous filling
Remote antenna reel
Remote control included

Safety

Engine start/stop by remote control
work with closed doors
Water level limit indicator

It is specially designed for property maintenance, its small size allows access to restricted areas (dense urban areas, underground parking lots, narrow roads ...).

The different tools installed allow to realize cleaning, unclogging, descaling or unblocking of networks up to DN 200.
